

# GROVE KIDS TO RULE SATURDAY

## Lemon Grove Review

The MASON  
LINE

by Chan Mason

WITH FALL AND FOOTBALL upon us once more, we want to salute Helix Hi. and Coach Ken Maynard and his staff in particular. We saw all the Helix games last year and hope to do so again this season. Football is our favorite sport and we have never seen the game played cleaner nor harder than the brand played by Maynard's Highlanders.

The boys were inexperienced and terribly handicapped by having to play in the Big League of local scholastic football, but at that they broke even for the season. With a larger turnout and the added experience, the team should do even better this year.

HATS OFF TO THE COLORFUL Band, Marching Units, Baton Twirlers, Cheer Leaders and the spirit of the entire student body which make a lively and thrilling evening for all who attend these games. Round up a bunch of kids, get in the family bus and hie yourself to one of them. (See schedule elsewhere in this paper.) We'll guarantee it will give you a slant on young America that will put the quietus to any fears for the future of our great country.

BILL SHEARER, WHO IN HIS debut into the political field nearly walked off with the Republican nomination for our Assembly District, dropped in to see us the other day. Bill, until drafted four months ago, has

### SEWER OPPONENTS REJECT DEBATE

A proposed television-news-panel bringing together newspaper publishers of the areas affected by the Spring Valley Sanitation Project and both proponents and opponents of the proposed sewer plan for Spring Valley has been rejected by General W. J. Miller, (British Army Ret.), spokesman for the Mountain Valley Taxpayers Association.

Arrangements had been completed to screen the panel debate over Channel 6 Sunday evening at 10 P. M. Publishers involved are J. Hill, L. M. Scout, S. Hegland, L. M. News, M. Wager, S. V. Bulletin and Max Goodwin, L. G. Review. Miller told the publishers group that "I have met the local press - I do not wish to meet them again."

Area newspapers have favored sewers during the current spirited battle. Election, requiring a simple majority, will be held October 6th.

A bicycle rodeo will be the final event in the Kid's Day program at the school grounds Saturday.

### State Sewer Experts To Give Facts At Grossmont Meeting

Two state-wide experts on sewage problems will be heard Friday at an open meeting at Grossmont High School Auditorium at 8 p. m.

The Federated Sanitation Committee, proponent group in the Spring Valley Sanitation District Proposed Sewerage System Bond Election, is sponsoring the speakers.

The bond election will be held October 6th.

Fred Sharp, Administrative Officer of the City of Pomona, will speak on the problems which confronted his city recently in the matter of sewage disposal, and on the very important Assembly Bill 13, which permits sewerage system bond elections and they are urgent. Even such as Alpine and Julian have their disposal problems, and are solving them satisfactorily.

"Sewage disposal in the Spring Valley area is especially vital at this time," said Cash, "and it is hoped that by getting such experts as Kersnar and Sharp to speak, that we can convince the public of the urgency of our problem."

This meeting is open to everyone in the foothills areas, Cash explained, including the cities of La Mesa and El Cajon, and the unincorporated areas of Lemon Grove and Bostonia.

### School Attendance To Hit 2600

Enrollment in the Lemon Grove School District swung upward during the first week of

classes. From 2505 pupils on the first day last week, the total enrollment numbered 2587 last Friday, with possibly over 2600 in the five schools here at the end of this week.

### National Newspaper Week To Get Recognition In Lemon Grove

National Newspaper Week will be celebrated in Lemon Grove and by about 10,000 weeklies and all of the dailies in the United States, beginning October 1st for eight days.

News stories, radio and television time, and speech making will make up part of the program designed to publicize the function of a free press in a free country.

### Hospital Bond Issue Set For October 27

Four well known Lemon Grove residents are taking part in a project which will give voters a chance to decide whether a proposed 100 bed Grossmont District Hospital is to be constructed.

The decision will culminate in a bond election on Tuesday, October 27th. Grovans involved are Harry Griffen, Andy T. Benson and Mmes. Marie Batchelder and H. S. Haag.

The National Slogan for 1953 is "A Free Press Means A Free People" and the slogan has all the more importance today with the freedom of the press being challenged from every side. Citizens of "State" nations could tell American newspaper

R. Marvin Jackson, president of Grossmont Hospital District Board, said that a resolution calling for election was adopted at the Monday evening meeting of the board.

Jackson also said that October 27th was the date agreed upon for the election to authorize a bond issue necessary to qualify for a federal and state grant of

### Highlanders Get Up Steam For Opener

In early season practice are quarterback Bob Lebb, defensive half-back Karl Jordan and offensive half-back Henry Bonilla. This is part of a rugged schedule the coaches have set up for the Highlanders aimed at the football carnival Sept. 25 when Helix meets Hoover for the opening of the season.

"It's a better team - they've a better spirit," is the considered appraisal of Helix head coach, Ken Maynard, as he assessed the muscle and sinew of the 1953-54 Helix Highlanders.

"We've got 14 returning lettermen and they will bolster the current team. The boys have snap and enthusiasm. It looks like a great team," said Maynard.

The Highlanders have been doing the muscle grind daily from 2:30 to 5:00.

This schedule is aimed directly at Hoover when the two teams clash in Balboa Stadium, Friday, as part of the annual Football

### 'Serafina' Needs Musicians for Show

Less than two weeks is left before the curtain rises on "Serafina" at Grossmont Auditorium but a hurry call is out for musicians.

The operetta, scheduled for its premiere showing October 5th and 6th for the benefit of the Cerebral Palsy Foundation, needs pianists, violinists, clarinetists, trumpeters, drummers, etc.

Rehearsal will be held Friday in Golden Avenue School at 8 p. m.

Tickets are now available through local service clubs and at the REVIEW office. This week, Hi-Y leaders take over the sale of tickets.

### New Kiwanis President Gets Family Welcome

The entire slate named by the Kiwanis nominating committee swept into office by unanimous vote last week at the Kiwanis election meeting at the Youth Center.

Tom Warburton, vice principal of Helix, was named president. Max Goodwin, publisher of the Review was named vice-president. Sam Solleder, assistant business manager of the Lemon Grove Elementary School District was named secretary and Bill Young of the Bert A. Betts accounting firm was elected treasurer.

Board of Directors include Byron Netzel, retiring president; Jack Durham, insurance man; Charles MacDonald, retail furniture dealer; Luther Hussey, attorney; John Landesco, criminologist; John Dail, insurance man; Jerry Walters, jeweler; Harold "Pappy" Hensley, chief of the Lemon Grove Fire Department.

Officers will be seated at the first of the year.

"Congratulations, Pop."

Young David, son of the Tom Warburton family, gives Tom a hearty handshake as announcement is made that his father was named Kiwanis president in an unanimous election last week.

Marion Warburton, David's mother taking part in the ceremony, is president of the local Kiwanis.

Little Johnny and Susie are polishing their halos this week. More than 500 of Lemon Grove's "little angels," at least those in the 1st to 6th grades, will be wearing them jauntily as they vie for prizes in a score of contests under the auspices of the Lemon Grove Kiwanis club Saturday.

A parade will get under way at 10:30 a. m. at the Shell Station at the corner of Buena Vista and Broadway and march into the Golden Avenue Playground via the Broadway, Imperial, Golden Ave. School Lane route.

Beating out time for the marching youngsters will be Helix Band, Lemon Grove Band and Ozzi's Band from La Mesa. Pom-Pom girls from Lemon Grove and Helix will perform along the route.

It is the second annual Kid's Day event for the local club but other Kiwanis organizations have been holding such events for many years across the nation.

Prizes will be awarded for such things as the most original costume, most original trappings on bikes and horses and the

### Turn Back Your Clock For Standard Time

Don't forget to turn your clock back Saturday.

The semi-annual confusion attendant with switching from daylight to standard will plague householders, bus drivers, church goers and cafe operators alike come Saturday night.

Cafe operators have talked the liquor board into allowing them to make the change at 2 o'clock Sunday morning.

Householders who wish to be precisely lawful and legal will wait until midnight and then set their clocks at 11 p. m.

Those who do not live by the letter of the clock law may sneak their clock back after dinner, say about 8 o'clock for example. The clock will then read 7.

In spite of the extra hour, little Willie will oversleep in getting-up-for-school-hour Monday, most mothers feel.

### Michael's In Another Expansion

Announcement was made this week that Michael's would embark immediately upon another expansion program.

A new and larger dining room and a triple size kitchen will be built starting immediately, Henry Goldy, proprietor of the cafe said.

The new building will be east of the present Okole Maluna Room and is being built in the area now occupied by the lath house to the rear of the Lemon Grove Florist.

Seating capacity will be increased from 100 to approximately 500. The floor space for diners is being increased 150%.

An air conditioning system refrigerating the air in summer and warming and de-humidifying it in the winter will also be installed.

The kitchen, Goldy said, will be the most modern in the county.

No estimate could be given to the completion date.

### New Accounting Offices Open In Grove

Mary Hiles, secretary, Bert A. Betts and Bill Young, office manager, are formally ensconced in Betts' new public accounting office at 7896 Broadway.

Formal announcements went this week that Bert A. Betts, certified public accountant, had moved his offices to a more central location in Lemon Grove.

The new place of business is 7896 Broadway. Betts came to Lemon Grove three years ago with a small office at the west end of Broadway with two men and a girl. The new office has seven accountants and two girls. Part of the expansion was thought about by the obtaining

of the audit of all school districts in San Diego County. In this group are 48 of the 65 school districts, all of which are under 900 daily attendance.

The school audit job, he said, would take about six months. They are presently in the process of starting on this work. Associated with Betts is Bill Young, who is the office manager.

The Betts family recently purchased a new home in Lemon

Grove "with four bedrooms." "We have five kids ranging from 10 months to 7 years and it takes a lot of room to handle them," Betts laughed.

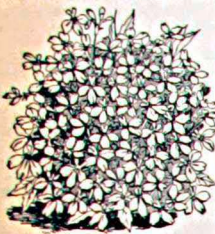

The firm has a branch office in Pacific Beach but the new move will "facilitate handling of more local accounts and give local accounts better service," Betts pointed out.

The new location is opposite the Sprouse-Beltz building.

### Lobelia For Hues Of Blue In L. G. Gardens

Beautiful shades of blue accented by purple foliage can still be yours if you transplant flat grown lobelia now, especially in the Lemon Grove area. Two shades of blue — the Light Cam-

LOBELIA

bridge Blue and the delightful deep blue Crystal Palace — will suit even the most discriminating gardener.

This versatile, compact, little plant will thrive in the full sun and also in those neglected shaded areas. Use it generously to provide a continuous border or colorful bed. Use sparingly to provide color in a rock garden or a mixed bed of low growing plants. Beautiful blue and purple blend well and accent all fall flowering plants.

Lobelia is a lazy gardeners dream come true. It attracts few insect pests — withstands periods without watering — and in return, blooms its head off. Big dividends from such a little plant proves again that good things come in small packages.

### Delphians Will Organize Tuesday At Hilltop Chateau

Patterson, E. A. Ross, Schuyler Read, Zoe Schnell, Art Thomas, Milton Kelly and Miss Rosalie Winkler. Charter members from surrounding areas are: Mmes. Thomas Gillespie and William Rarick of Spring Valley; Miss Madara Knox of Grossmont; Mrs. M. E. Tutten of National City; Bernice Williams of San Diego.

### Professional Organist Visits Grove Couple

Miss "Boots" Anderson of Albuquerque, New Mexico, a professional organist, was a visitor last week at the residence of Lt. and Mrs. G. Roberts, 2031 Dayton Dr.

Miss Anderson is planning to move to San Diego to follow her professional career here. She has spent the last seven winters as pianist and organist at the Peacock Cafe in Albuquerque and six summers at Readosa, New Mexico.

She has been playing professionally for 20 years and at one time studied under Alec Templeton. She is one of the few women who have mastered the double solovox and last year demonstrated her technique for the Hammond Organ people throughout Florida.

### Boys' Camps Seek More Supervisors

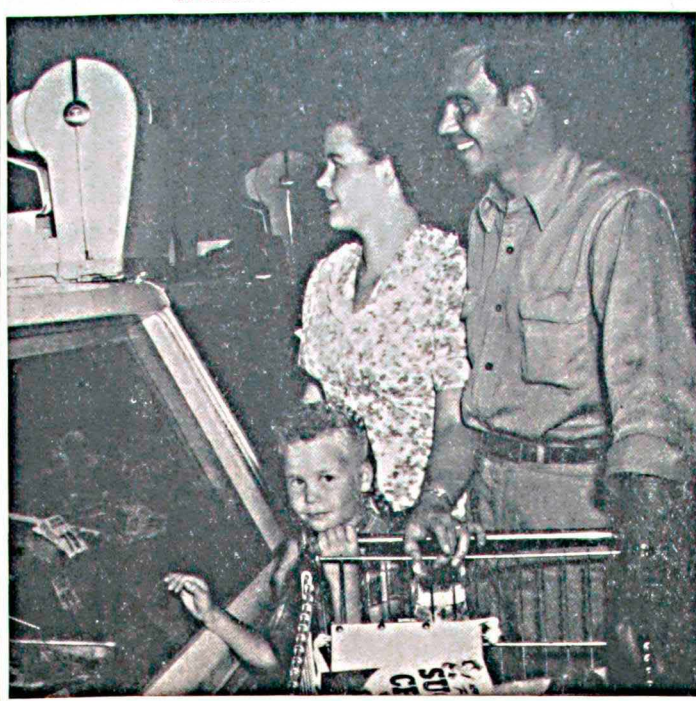

Men interested in boys and in outdoor life are needed for the camps and schools of the California Youth Authority, the State Personnel Board said today.

There are openings at five camps located in mountain areas and at the Preston School of Industry in the foothills of the Mother Lode.

The job is known as boys' group supervisor and pays \$295 to \$385 a month. It requires two years experience as teacher, camp supervisor or in similar work. College graduates without experience also are acceptable.

## State Highway Boom Creates 100 Job Openings

California's booming road-building program has created vacancies for civil engineers in nearly all parts of the state, the State Personnel Board said today. More than 100 positions will be filled shortly.

The state is especially recruiting the class of associate highway engineer, which pays \$505 to \$613 a month. Basic requirements are graduation in civil engineering plus two years' highway experience, but some substitution in the pattern is allowed.

The jobs are all permanent on satisfactory performance, the board emphasized, regardless of future highway budgets. Likelihood is for increasing construction and added promotional opportunities.

Since its founding in 1910, Camp Fire Girls has brought its health and character-building program to more 3,000,000 girls.

### ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

### Contributors Thanked For BWL Park Aid

By Ina Leonasio  
Publicity Chairman BWL

Believe me if you want to feel a part of a community, and that you "belong" just pitch in and help to beautify your town. There is nothing that gives you as much satisfaction as crossing the hurdles that pop up as you come to them.

There are so many who have contributed time, money and labor to this project and yet to you it may seem small. All things must start small and it will surely grow as Lemon Grove is growing. It would take a book to tell all the problems and delays that we have had, now it looks like smooth sailing except for additional money to enlarge the project. This is not a plea for money but rather a chance for you too to share in the feeling of belonging and being a part of your town. Just in case you want to contribute something to the railroad park beautification project just write to the Business Women's League, P. O. Box 554, Lemon Grove.

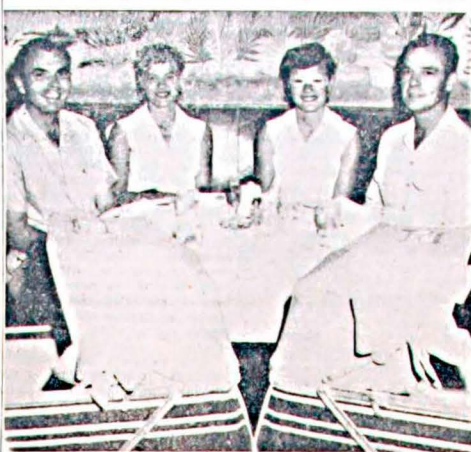

The Business Women would like to thank Robert Gaudin, President of the Lemon Grove Chamber of Commerce for drive the skip loader to level off the ground for planting. We would also like to thank Jim's U Rent for loaning the skip loader. We are indeed grateful to Larry Hunter of Hunter's Nursery and to Mrs. Finger of the Wayside Nursery for their generous donations of plants and shrubs. Then there are those who have

### First Grove Value Days Attracts Neighbors

A scattering of new faces and the return of old customers was the experience of some of the retailers last week during the Lemon Grove Review sponsored bargain shopping days.

Some firms experienced an unusual turnout as pictured above in Lindley's Rexall Owl Drug Store where Alberta Giles is serving a group at the store's new prescription counter.

Business firms agreed that in future events, merchandise advertised should be restricted to one or two specially low-priced items.

### Garden Advice Given By Nurserymen

Lemon Grove gardeners were given some sage advice this week on planning for winter flowers by the California Association of Nurserymen.

Their advice:

1. Start cuttings of geraniums and pelargoniums.
2. Do not forget the new soil conditioners when preparing soil for the fall and winter garden.
3. Divide and reset crowded bearded Iris.
4. The most common failure with winter stocks is due to too much water. Try raising them on raised beds where they will get better drainage.
5. It is Ranunculus planting time! Each bulb will produce a dozen or so long lasting flowers. Plant six to eight inches deep. The soil should be well drained and the location sunny.

### Too Much or Too Little

"There is hardly anything in the world that some man cannot make a little worse and sell a little cheaper, and the people who consider price only are this man's lawful prey. It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money — that is all. When you pay too little, you sometimes lose everything, because the thing you bought is incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot. . . IT CAN'T BE DONE."

readers how the light was blotted out on their freedom simultaneously with the press being put under the control of the government. In Germany, Italy, Argentina, Czechoslovakia and Poland the subordination of the press was the first step toward totalitarianism and the loss of freedom.

In America today there are many advocates of a controlled press. Such things as closing public records to the press, "classifying" information as secret when it should be released freely, and indeed, hiding facts

that make news stores in order to make the "party" look better, are all deterrents to a free press for a free people.

In marking National Newspaper Week many programs have been planned locally. Practically every service club will set up part of its program for that purpose during the next ten days.

In Lemon Grove, Max Goodwin, publisher of the REVIEW, will have the newspaper week program for the Kiwanis. He will describe some of the problems all publishers face in keeping the press free.

Attempt will be made to supply speakers for other local clubs upon request.

## HOSPITAL BOND

Continued from page 1

\$1,173,700.

The federal and state grants were approved in August, taking priority over 142 other agencies in California requesting assistance on constructing hospitals. This is an indication of the urgent need of hospital facilities in this area, Jackson pointed out.

It is expected that the payment of the \$800,000 in bonds over a 20 year period can be accomplished with no increase in the tax rate now levied by the hospital district. The levy at the present time is used for the operating expenses of the district. These expenses will be in large part absorbed into operating expenses of the hospital after it is constructed and in operation, members of the district board pointed out.

The election will be held in voting precincts throughout the large Grossmont Hospital District, extending from West La Mesa as far east as Campo.

A citizens committee known as the "Grossmont Hospital District Citizens Committee" has been organized to secure a "yes" vote in the election. This committee will hold a meeting Wednesday evening, September 23, in the new offices of the citizens committee on North Orange, El Cajon. The meeting will be held at 7:30 p. m.

Chairman of the citizens committee is R. L. Swearingin of El Cajon, with C. Rupert Linley of Lakeside as treasurer, and Andy T. Benson of Lemon Grove as secretary. Other members of the committee are John Gibson, La Mesa; Ralph A. Peterson, Grossmont; Harry Griffen, Lemon Grove; Arnold Dahl, Calavo Gardens.

Under the leadership of Mrs. T. Forster Couts of La Mesa, the Women's Auxiliary has developed an Election Committee. It includes the following: Mrs. L. E. Carlson, Alpine; Mrs. Walter Settles, Lakeside; Mrs. Leon Noel, El Cajon; Mrs. Walter Welch, Fletcher Hills; Mrs. A. E. Brudno, Grossmont; Mrs. Robert Harness, La Mesa; Mrs. Marion Batchelder and Mrs. H. S. Haag, Lemon Grove; Mrs. F. W. Hastings, Spring Valley; Mrs. Maud Bowles, Jamul.

The headquarters for the campaign will be at 130 North Orange Avenue, El Cajon and the telephone number is H4-0711. A sub-office will be maintained at 7554 Central Avenue, Lemon Grove, telephone H6-1125. The El Cajon office will be staffed by members of the Women's Auxiliary, chairmaned by Mrs. Louis Peelyon, Vista La Mesa.
